II. BUILDING A CHATBOT:

Watson Chatbot Integration

Homepage:

IBM Watson Assistant LiteUpgradeBonita Bot

Learning center

Home

Welcome, you're in the new Watson Assistant!

We have some exciting changes in store for you

Take a tour

Faster build

We've simplified everything about the build process making it up to 8 times faster to launch your assistant.

Get started

Easy to use

Now anyone can build a fully-functioning assistant without the usual heavy lift from a development team.

View documentation

New features

The new Watson Assistant is loaded with features that empower you to meet the complexity of customer needs.
